

## Dean's List Social Media Challenge

### Congratulations, Science Champions!

Carleton University—and the Faculty of Science, in particular—is home to a supportive and inspiring community of students, faculty and staff.

As Science Champions and Dean's List honourees, you are blazing the trail. Celebrate your success and that of your fellow students by participating in this year's Dean's List Social Media Challenge! You never know who you might inspire.

### Here's all you need to know:

1. You must be a Dean's Honour List (20/21) student to participate (you would have received an email indicating this)
2. Your gift from the Faculty of Science will be featured in your post, so make sure to input your mailing information on our website at [science.carleton.ca/deanslist](https://science.carleton.ca/deanslist) ASAP
3. Watch this reel and recreate it (as an Instagram story or Reel), using the same music but adding your own flair! Save the music from the Reel or select 'Use this Audio' in Instagram.
4. REMEMBER to tag us [@CarletonScience](https://www.instagram.com/CarletonScience) or use #CarletonScience when you post your celebratory video on social media so that we can view and share it.
5. If you do not use Instagram, you can record yourself on your cell phone (sound off) and send it directly to us, along with your signed consent form, using Dropbox (see the web page for the link). We can add the music for you!
6. Winners will be selected by random draw and announced shortly after the challenge ends on Feb. 28, 2022.

We look forward to seeing your videos and celebrating with you on social media.

CONGRATULATIONS!
